

Covid-19 Safety Plan

Part II

PROCESS FOR ILLNESS SCREENING AND ASSESSMENT

Employees must complete the following daily health screening assessment:

1. Temperature check before each shift.
2. Complete Covid-19 symptom and contact checklist Located in the Daily Closing Journal.

Anyone who has symptoms of Covid-19 in the last 10 days must self-isolate at home; symptoms include fever, chills, new or worsening cough, shortness of breath, sore throat, and new muscle aches or headache.

Anyone under the direction of the provincial health officer to self-isolate must follow those instructions.

Anyone who has arrived from outside Canada, or who is a contact of a confirmed Covid-19 case, to self-isolate for 14 days and monitor for symptoms.

Staff must provide a contact person and how they will travel from the workplace to their home if they start to feel ill at work.

All staff must raise any health concern with our Director, Maria Grand-Clément. We must ensure that we identify and resolve any health issue immediately.
